# Benefit from the potential of the world's leading trade fair for occupational health and safety!

With more than 1,900 exhibitors from about 60 countries and more than 67,000 visitors from about 130 countries, A+A is the world's largest trade fair for safety, security and health at work. No other place in the world offers a similarly versatile, comprehensive and future-oriented range of products and services in the areas of safety management in the workplace, occupational safety and health, workplace health promotion and special equipment for disaster control.

Present your young and innovative company at A+A and secure your place in our start-up zone. We will bring you together with the top decision-makers for occupational health and safety as well as experts and personalities from business, research and politics.
