

## Lecture programme Workplace Design / Corporate Health - Hall 10 / D28

Date	Time	Institution / Company	Speaker	Theme
Di 17.10	10:00	Kleen-Tex Industries GmbH	Petra Augustin	The ergonomic anti-fatigue mat
Di 17.10	10:20	ErgoPack Deutschland GmbH	Christian Arndt	Ergonomics in packaging
Di 17.10	10:40	Martor KG	Andreas Kieper	Ergonomically shaped and safe knives at the workplace
Di 17.10	11:00	Pedalo® by Holz-Hoerz GmbH	Christoph Anrich	Agile health management
Di 17.10	11:20	CarpaStretch GmbH	Dieter Heyl	Complaint-free through stretching: Treatment of carpal tunnel syndrome
Di 17.10	11:40	Bundesministerium für Ernährung und Landwirtschaft (BMEL) Bundesinitiative IN FORM	Kathrin Billgen	Delicious and healthy: IN FORM in the job JOB&FIT - enjoyment for success! Healthy company catering in practice.
Di 17.10	12:00	Deutsche MTM-Vereinigung e.V.	Thomas Finsterbusch	Digital transformation of work planning: Human Work Design
Di 17.10	12:20	die ergonomie experten	Chris Ribjitzki	Workstation analysis using mobile biomechanical measuring sensors
Di 17.10	12:40	Institut für angewandte Arbeitswissenschaft e. V. (ifaa)	Anna Peck	Prevention with an Age Simulation Suit - Presentation of a Workshop Concept
Di 17.10	13:20	Fokusgruppe „Neue Ansätze des Arbeits- und Gesundheitsschutzes im Pflege- und Dienstleistungssektor“* - BMBF	Paul Fuchs-Frohnhofen	New prevention concepts in nursing care
Di 17.10	13:40	Integrierte Technik- und Arbeitsprozessentwicklung für Gesundheit in der Pflege ITAGAP *- BMBF	Lena Marie Glunz	Changing requirements and demanding changes - hazard potential through new technologies in outpatient care
Di 17.10	14:00	Projekt BalanceGuard* - BMBF	Albrecht Wanders	Individual stress monitoring: The BalanceGuard
Di 17.10	14:20	Wechselwerk GmbH	Gudrun Töpfer	Workplace design with the ageing simulation suit
Di 17.10	14:40	Deutsche MTM-Vereinigung e.V.	Peter Kuhlang	Welcome to New Work: Work design with motion capturing and VR
Di 17.10	15:00	Dachverband Freie Gesundheitsberufe e.V. (FG)	Dorothee Remmler-Bellen	Relaxation at the workplace - exercises in kinesiology and qigong
Di 17.10	15:20	Deutsches Netzwerk Büro e.V.	Jan Gumprecht	Become healthier, fitter and mentally more active, despite digitisation. How is that possible?
Di 17.10	15:40	Health and Safety Executive (HSE)	Matthew Birtles	Are you sitting comfortably? Make it easy!
Di 17.10	16:00	ergonomie-experten	Frank Gillmeister	Vibration at the workplace - Shaken, not stirred - The back pains of the forklift driver Klaus
Di 17.10	16:20	Berufsgenossenschaft Verkehrswirtschaft Post-Logistik Telekommunikation (BG Verkehr)	Gabriele Winter	Load handling aids for loading and unloading containers
Di 17.10	16:40	Berufsverband Deutscher Psychologinnen und Psychologen e.V. der Landesgruppe NRW	Jürgen Walter	Changing attitudes through the use of emotionally touching media

Mi 18.10	10:00	Dauphin HumanDesign Group GmbH & Co.KG	André Heuer	Room-in-room solutions for new working environments
Mi 18.10	10:20	Deutsche MTM-Gesellschaft mbH	Steffen Rast	Practical examples of holistic work design
Mi 18.10	10:40	Universität Heidelberg Projekt MEgA* - BMBF	Alexander Purbs	Work 4.0 in SMEs: Preventive design, competent management!
Mi 18.10	11:00	AMD TÜV Arbeitsmedizinische Dienste GmbH - TÜV Rheinland Group	Dominique Bialasinski	BGM Best Practice - pilot health campaign
Mi 18.10	11:20	corvolution GmbH	Silvester Fuhrhop	AU is out: Sensitive and objective measurement of company health
Mi 18.10	11:40	Bundesministerium für Ernährung und Landwirtschaft (BMEL) Bundesinitiative IN FORM	Kathrin Billgen	Delicious and healthy: IN FORM at work. From knowledge to action. Most people know what is healthy - but how does more healthy food actually end up on the plate?
Mi 18.10	12:00	Condair Systems GmbH	Dominic Giesel	How dangerous is the dry building syndrome in the office?
Mi 18.10	12:20	Kommission Arbeitsschutz und Normung (KAN)	Angela Janowitz	Light as a metronome of our internal clock - also at the workplace
Mi 18.10	12:40	Hörtech gGmbH	Christian Nocke	Room acoustics measures in offices
Mi 18.10	13:20	EO Institut GmbH	Laura Buchinger	Competitive advantage of psychological risk assessment
Mi 18.10	13:40	Health and Safety Executive (HSE)	Clare Forshaw	Top tips and tools for preventing work-related stress
Mi 18.10	14:00	Hörzentrum Oldenburg GmbH	Markus Meis	Extra-aural noise effects in the office: Noise as a stress factor in the risk assessment of psychological stress
Mi 18.10	14:20	ACTIVE OFFICE GmbH	Josef Glöckl	How much office can you take?
Mi 18.10	14:40	Wilkhahn Wilkening + Hahne GmbH & Co. KG	Burkhard Remmers	Office 4.0: Place of production of knowledge economy
Mi 18.10	15:00	dbb beamtenbund und tarifunion	Verena Hertel	Mindfulness in everyday working life
Mi 18.10	15:20	Berufsverband Deutscher Psychologinnen und Psychologen e.V. der Landesgruppe NRW	Julia Scharnhorst	Resilience - How companies and employees become more stress resistant
Mi 18.10	15:40	officeplus GmbH	Christof Otte	Concepts for more movement at open space office workplaces
Mi 18.10	16:00	Dauphin HumanDesign Group GmbH & Co.KG	Susanne Weber	From the practice - for the practice: Sustainable anchoring of ergonomics at the workplace within the company
Mi 18.10	16:20	Institut der deutschen Wirtschaft Köln e.V.	Patricia Traub	Designing work inclusively: Tips from ergonomics and technology
Mi 18.10	16:40	dbb beamtenbund und tarifunion	Verena Hertel	Sensitisation for inclusion

Do 19.10.	10:00	TERGON Bürostuhlhersteller GmbH	Georg	Endler	Benefits and uselessness of the new development of office chairs
Do 19.10.	10:20	Sedus Stoll AG	Michael	Kläsener	Sitting under constant stress? Current trends in office ergonomics
Do 19.10.	10:40	FAVOX GmbH	Jörn	Schaupeter	Risk assessment of psychological stress as a value-adding management tool
Do 19.10.	11:00	Health and Safety Executive (HSE)	Matthew	Birtles	Demonstration of easy to use ergonomics assessment tools
Do 19.10.	11:20	Institut für angewandte Arbeitswissenschaft e. V. (ifaa)	Ufuk	Altun	Accessibility checklist: How to design digital work-related accessibility in your company
Do 19.10.	11:40	Bundesministerium für Ernährung und Landwirtschaft (BMEL) Bundesinitiative IN FORM	Kathrin	Billgen	Delicious and healthy: IN FORM at work. Setting a good example: Introduction of corporate health management at the German Armed Forces.
Do 19.10.	12:00	Westsächsische Hochschule Zwickau/ Institut für Produktionstechnik	Torsten	Merkel	Assistance in improving occupational health and safety and employee mobility
Do 19.10.	12:20	die ergonomie.experten	Wolfgang	Schneider	Making ergonomics visible and comprehensible!
Do 19.10.	12:40	Deutsche MTM-Vereinigung e.V.	Thomas	Finsterbusch	Digital transformation of work planning: Human Work Design
